Ballet

Is the basis of all forms of dance, giving the dancer strength, technique, deportment and discipline, helps improve co-ordination and music awareness. Our Ballet classes are taught to the NATD syllabus and examinations can be taken.

Tap

Tap dancing has been popular through so many generations. A way to make your feet talk and use them as musical instruments. The greatest use of rhythms. When mastered tap dancing is spectacular, and magical.

Freestyle

A combination of the modern styles, using any current trends and new ways of moving using elevation - jumps, kicks, spins, floor work. Innovative use of steps and moves to create the most popular current dance form.

Drama

This class can make the shyest person feel confident through the interaction with other team members, using mime, dialogue, poetry and freedom of experimental acting.

Singing

A great confidence booster. Learn to sing in tune, with the correct range for your individual voice. Songs range from pop to musical theatre.
